Staff Formation Day - College Closed

From the Principal

This term has been jam packed with so many wonderful events and opportunities and I thank everyone here at the College for their hard work and commitment, and the many additional hours that our staff have contributed to ensure our students have the best possible experiences here at St Patrick's Marist.

Last week marked a most significant time for us as Christians as we remembered the events and circumstances of Jesus' suffering, death and resurrection. During last week, as we made our final preparations of prayer, fasting and alms giving we purposefully paused, taking time for deep reflection on our own lives and our response to Jesus' sacrifice. Our long journey to the font culminated in the three days that make up the Easter Triduum. These three days drew us into the mystery of our salvation. On Easter Sunday, we celebrated with joy in what God has done for us in his Son Jesus Christ. I thank Mr Paton, Mr Moussa and Mr Hornby for their organisation and our Year 7 students and the Social Justice group who were involved in our Easter Liturgy last Thursday.

On Good Friday, Mr Moussa and Mr Gabrael gathered with 13 of our students to walk 17.5 km from Blacktown (The Cathedral) to Parramatta Cathedral for the annual Good Friday walk, joining Bishop Vincent and Catholic Youth Parramatta, journeying overnight through six parishes in prayer, solidarity and reflection. I thank Mr Moussa for his wonderful support and the outstanding work he is doing with our Youth Ministry group.

Easter is a seven week season of joy and grace. Starting with the Triduum in Holy Week, and ending with Pentecost Sunday, this 50 day season has been called "the radiant centre of the liturgical year." We keep celebrating so that we might continue to enter into the meaning of the resurrection and to deepen the way it touches our daily lives.

Attendance and Reports:

As our school term comes to a close and Interim reports arrive, it is a good time for students to reflect on the goals that they set when meeting with Ms Hagarty and Mr Scanlon at the start of the year. Good results and satisfaction come from taking pride in our work, aiming high and being consistent each and every lesson, each and every day. In 2018, our Parent / Teacher / Student interviews will reflect a move towards student led interviews.

We have been focussing on attendance and I am happy to say that we have a consistently good attendance rate. However, we do have a number of students who are falling into the emerging category.

The Mission *of Marist schools is to lead young people in the way of Mary, to know and love God in the belief that they all can become good Christians and good Citizens.*

It is so important that students are in class every day. During an instructional walk this week, I noticed a number of students had unfinished work. Their excuse was that they were away on that day. In partnership, we need to make sure that any missed work is caught up by students as soon as they return. Most of our work is posted on Google classroom every day.

Semester 1 Captains

I would like to congratulate the following students on being elected to the SRC for Semester 1, 2018. They have been fully endorsed by their peers and teachers to lead the way as Marists within the College. We wish them well for this Semester.

	CHAVOIN	EDWIN	LUDOVIC	MACKILLOP	PAUL	XAVIER
YEAR 7 CAPTAINS	Sophie Klamer	Annabella Mejalli	Cooper Smith	Chelsea King	Eva Galati	Michael Makary
YEAR 7 VICE CAPTAINS	Christian Boumalhab	Ethan Harrigan	Benjamin Fairall	Chelsea Mejalli	Miel Steven Talampas	Carissa Gallagher
YEAR 8 CAPTAINS	Melanie Carlson	Sudhish Bheemreddy	Craig Zvidzo	Angelina Doueihy	Lucas Garcia-Kane	Allison Lee
YEAR 8 VICE CAPTAINS	Aleksandr Zhigunov	Brooke MacKenzie	Chelsea Ceely	Thomas Samany	Cooper Rennie	Isabelle Saba
YEAR 9 CAPTAINS	Gemma Smythe	Zachary Bond	Christian Long	Alexander Johnson	Lara Brimicombe	Vinz Munda Cruz
YEAR 9 VICE CAPTAINS	Nicholas Ross	Chris Litsas	Mathew Hunter	Kaitlyn Brain	Joseph Sadek	Isabelle Joseph
YEAR 10 CAPTAINS	Alyssa Kasemsri	Imogen Harrigan	Isabella Fairall	Natalie Mejalli	Madison Sloane	Nicholas Scardilli
YEAR 10 VICE CAPTAINS	Julius Palmon	Eliza Arathoon	Tahlia Foye	Eve Watson	Claudia Ball	Eliina Myeong
YEAR 11 CAPTAINS	Sophia McCaughan	Max Wahbe	Laura Montiel	Monica Le	Melody Yalda	Rebekah Meafou
YEAR 11 VICE CAPTAINS	Micky Nader	Bernadette Martinez	Max Johnson	James Furolo	Hanna Sadek	Hovig Melkonyants

Reminders for our School Community

If, at any time, you find that you have a concern with the school, you are encouraged to contact the College and speak to the relevant Teacher, Leader of Learning, Assistant Principal and/or myself.

It is always our aim to work with all members of our school community to ensure that we do our very best to provide a productive, safe and enjoyable learning experience for our students and professionally fulfilling experience for our staff.

If you would like to raise a concern, the Catholic Education Office of Parramatta has guidelines for ensuring that complaints are handled fairly. Information about how you can handle complaints informally or formally can be found in our College Diary and on our College website www.stpatsdundas.catholic.edu.au as well as our system website www.parra.catholic.edu

This week we were given the exciting news that the CEDP capital works program has now been approved and funding for the redevelopment of learning spaces to replace the current Block A rooms. 2018 will be a year of planning and preparation, with building to commence we hope at the start of 2019. We will share the journey with you throughout the year.

A new interactive online safety tool for parents and carers has been developed by the Office of the eSafety Commissioner. Please go the following link for more information: <https://bit.ly/2q5di1U>

Our Mother's Day Liturgy is coming on the 11th of May. The Invitation letter is attached to this newsletter and has been sent to all families from Mr Paton.

Next term students return on Monday 30th April. They are expected to be in full winter uniform.

As we come to the end of the term, I ask that we take a moment to be truly grateful for all that we have and I ask for your prayers for a number of families in our community who have someone with a very serious illness.

Mrs Angela Hay

New Staff

KATHERINE MAISH

Instructional Leader / Learning Coach

I am please to have joined the St Patrick's Marist community. Coming from Sydney Catholic Schools, originally Marist Sisters' College, Woolwich as HSIE Leader of Learning and Gifted Education Coordinator, and most recently Bethany College, Hurstville. There I held the position of Leader of Pedagogy as a member of the College Leadership Team and was responsible for whole school improvement, improved student learning performance, staff professional learning, implementation and embedding of the College School Wide Pedagogy/Vision for Learning, whole school literacy initiatives and the College Gifted Education Newman Programme. I will also be working in this capacity at St. Patrick's Marist College, Dundas, more specifically leading staff through the College's own Vision for Learning, Enquiry Based Learning and Project Based Learning pedagogies, supporting staff in their practice and working to continually strive for improved student learning gains in literacy and numeracy. I will also use my skills in differentiated curriculum design and strategic planning to assist in creating an environment in which every student can flourish and achieve to their potential. I have a particular passion for Assessment in all its forms, and was selected as a member of Sydney's Catholic School's Assessment Working Party in 2016. My other passion is in the area of Gifted Education, and I am currently paving the way for a Gifted programme to be established here at St Patrick's Marist

ANTHONY ZHANG

Science Teacher

I am the new Science/Physics teacher here at St. Patrick's Marist College and have come from Christian Brothers High School Lewisham. I am very excited to be a part of the community here at St. Patrick's Marist College. I have a strong passion in education and willing to support students' diverse needs and provide a safe and engaging learning environment to all students. I love sports and I am looking forward to contributing my time to the better future of the school and community.

DENNIS CONTEMPLACION

Science Teacher

I have been shaping the minds and hearts of young people for 24 years as a teacher in the key learning areas of Science, Mathematics and Religion. This includes teaching in both Catholic and government schools as well as being the Science Leader of Learning at Loyola Senior High School and Delany College. I am also an enthusiast in health and fitness education particularly in the field of endurance sport. With gratitude, I commence my journey here at St Patrick's as a keen member of the Science faculty. I am very excited to immerse myself as an educator in the Marist tradition.

STEPHANIE THOMPSON

Teacher Librarian

It is exciting to be the Teacher Librarian at St Patrick's Marist College. I am passionate about Young Adult fiction and love reading books, talking about books, and adding new books to my 'to read' list. In addition to a Bachelor of Arts/Diploma of Education (Secondary), I have a Master of Arts specialising in Children's Literature. For the past three years I have been working in alternative education, with two years spent teaching in Bathurst. I have had other teaching roles including two years teaching English in Singapore. When I'm not teaching, I love to travel, hang out with my cats, and go bushwalking.

Business Manager

SCHOOL BAG SURVEY

School bags with wheels

Thank you to the parents who responded to the survey. We had a good response rate, indicating that there is quite some interest in school bags with wheels. I will now continue to pursue this option (with/without shoulder straps) with our supplier.

Junior Boys Tie

The new Junior Boys Ties are due to be delivered to the College next week. The ties will be sold from the Uniform shop for \$20 each.

To assist in ensuring a smooth turnout of the new tie, we will organise a time that each Year 7 boy will be able to attend the uniform shop to purchase their tie on Wednesday (11th April) and Thursday (12th April). So that this can be done quickly and with minimal disruptions to lessons, the boys are to bring an envelope with the \$20 enclosed and their name and homeroom noted on the front of the envelope.

Lost Property / Uniform Shop

Please note that there is a large amount of lost property located in the Uniform Shop. Please remember to come to Lost Property to collect lost items:- sport clothes, jumpers, drink bottles, pencil cases, umbrellas, etc. The Uniform Shop is open each Wednesday and Thursday.

Ms Vicki Fraser
Business Manager

Assistant Principal

TEACHING AND LEARNING

Year 12 Examinations

As the Year 12 Examinations conclude on the 6th April, classes will resume for students in Week 11. This provides opportunities for senior students to seek feedback from the examinations with the return of some of the exams marked and returned prior to the end of term. Senior students ought to also expect that the term break is a time for revision and further study for each of their course with some teachers offering holiday classes. Senior students are strongly encouraged to attend these if offered.

Interim Reports Years 7 to 11

Interim Reports will be mailed home at the end of next week which will provide an overview of your son/daughter's application, effort and engagement with each of their subjects this term. Please take time to discuss the results from these reports with your child and set term 2 goals to continue to build on the success of Term 1 and / or identify areas for growth and change.

Year 12 & 11 Parent Teacher Interviews

A reminder that Year 11 Parent Teacher interviews will be held on 8th May in the College Library. This provides a timely opportunity to meet your child's Preliminary teachers and seek feedback on their progress thus far. An emailed letter with booking details for interviews will be sent out this week.

Year 12 Parent Teacher interviews will be on 16th May in the College Library. Your son/daughter's reports will be sent home with them on 11th of May. This also provides a timely opportunity to meet your child's HSC teachers and seek feedback on their progress at this midway point of their courses. An emailed letter with booking details for interviews will be sent out next week.

Student Diaries

I ask that you assist your son/daughter to use their diary well. Parents are asked to sign the front of the diary accepting all policies contained in the diary. Good planning and organisation will greatly assist them in their learning. Please make

sure that you sign the diary each week; it is an excellent resource that, when utilised, will assist students with their learning.

Students need to get into the habit of writing down each subject for each period each day. Ideally this should be done on the weekend for the week ahead (highlight practical subjects that require students to bring equipment). Students are to write down homework when it is set and revision is to be undertaken when there is no set homework. Assignment due dates can also be placed in this section.

Use of Devices at Home

Technology is a normal part of our contemporary world and at school the use of technology is a tool to build the necessary skills of communication, collaboration and creativity. However, can I remind parents and caregivers that students can use their workbooks to complete homework, hand written work that is neat is also encouraged. We also encourage our students to be visible in the home environment when using their devices or to use the family device rather than their personal one. The College only uses the Google Platform (Google Classroom, Doc, Slides etc) which all students can access through any device at home. Your supervision and support when students are completing tasks at home is recommended.

Mr J. Scanlon
Assistant Principal - Innovation, Teaching and Learning

Assistant Principal

MOTHERS DAY LITURGY

As a core focus of our Marist community and spirituality is the person of Mary, the mother of Jesus and the first disciple. Mary's response to Jesus is what we seek to model as both staff and students reflecting our Marist charism that was inspired by St Marcellin Champagnat. As a mother, Mary experienced the joys, blessings, challenges and hardships of any parent. It is this journey of motherhood that we celebrate on Mother's Day as sons and daughters.

We would like to invite you, especially the mothers and grandmothers of our College community, to join us in a special Mother's Day Liturgy here at the College. It is hoped your son and/or daughter will also join you to celebrate this Mass as well.

The Liturgy will be held in the La Valla Centre at the College on Friday 11th May at 2:15pm. Could you please ensure that your child returns the permission slip (letter attached) if you are attending by Friday 4th May.

We look forward to you joining us on this day and celebrating the gift and blessings of motherhood.

SAFETY TOOL FOR PARENTS / CARERS

The Office of the eSafety Commissioner - New Online Safety Tool

Whether you're a parent, carer, aunt, uncle or grandparent it can be a difficult task keeping up with young people and technology or even knowing when and how to start the conversation about online safety in your household.

Meet Screen Smart Parent Tour—our new interactive self-reflective tool that helps parents and carers of pre and young teens keep on track with online safety. Our 10 minute interactive tour is for parents of pre-teens and young teens (10 to 14 years). It has plenty of tips and practical steps along the way so you can help your child explore safely and manage online issues should they arise. This is especially important at this age as they strive for independence and peer acceptance.

The virtual tour takes you through six important online topics including social media, screen time, personal information, inappropriate content, cyberbullying and contact with strangers. Each topic offers practical tips and advice on how to allow children to explore safely and manage online issues if they arise.

Flyer attached to newsletter or visit link: <https://esafety.gov.au/education-resources/iparent>

JAPANESE VISIT

At our Assembly on Wednesday, we were fortunate to host a group of visiting Japanese students. The Japanese students entertained us with a short overview of their lifestyle and culture which included how to use chopsticks and the correct wearing of their traditional dress. Our students were then given opportunity to practise both aspects during their break. The Japanese students enjoyed our 'Aussie Fare' provided.

Mr M. Paton
Assistant Principal - Mission and Wellbeing

YOUTH MINISTRY

The most important time in the Catholic Church's calendar was commemorated at two large events organised by the Catholic Youth of Parramatta. St Patrick's Marist was proudly represented at the Palm Sunday Mass and the Annual Good Friday Night Walk.

Palm Sunday

Holy Week began this year with the annual Palm Sunday walk from Parramatta Town Hall to St Patrick's Cathedral. Every year, students from the Diocese take part in the short walk commemorating Jesus' entry into Jerusalem. Some of our Year 11 students, Ben Duguid, Emma Gallagher, Micky Nader, Chris Saad and Claudia Sobral were glad to come along and participate, carrying the school banner and national flags to the cathedral. The walk was followed by Mass, led by Bishop Vincent who spoke about the sacrifice of Christ and its lesson for Catholics today.

Good Friday Walk

Every year on Good Friday, students are invited to walk the 17.5 kilometre journey from St Patrick's Church Blacktown to St Patrick's Cathedral Parramatta. This year we had 13 students from the school participate in what was a very enjoyable, (albeit long) night. There were over 1500 walkers from all over the Diocese that took part. The night began at 10.30pm at Blacktown with stops at the parishes of Seven Hills, Toongabbie, Campion College, St Paul's Winston Hills, and St Monica's Parramatta, ending around 6.30am the next morning at the Cathedral. At each Parish, two stations of the cross were performed with reflection of each that followed. Even in the early hours of the morning, our students were engaged thoughtfully in the message that each station presented. Micky Nader, Claudia Sobral, Emma Gallagher, Max Wahbe (Year 11), Narella Wakim, Natalie Mejalli, Jaymelee Boufrancis, Tayla Vanculenber, Alex Chan, Catherine Azize, Caitlin Turner, Katarina Pan and Daniel Saad are all to be commended on their participation and for proudly representing the College.

Mr D. Moussa
Youth Ministry Coordinator

Pastoral

YEAR 9

Reminder

To all students to continue to be engaged in their learning as the term comes to an end. The same standards of behaviour and learning are expected right up until the holidays.

Attendance

A reminder to all Year 9 students that their attendance is required on the last days of term. Any absence on the last day will require a doctors certificate.

Congratulations

Congratulations to Ryan Conroy who recently competed in the Athletics Multi-Class State Championship at Homebush. Ryan received a Gold Medal in both the 800m and the 100m events and he was awarded a silver medal for his age group.

Mr D. Berner
Pastoral Leader of Learning - Year 9

YEAR 7

On Friday of Week 8, Year 7 was involved in their first Formation Day at the College. Students learnt about the Catholic Social Teachings, specifically the Dignity of the Human Person. Students were in small groups and were asked to create a jingle based on the value of human life and to also create a role play on a scenario which portrayed people standing up for the common good. The creativity and enthusiasm was fantastic from each and every group with some very funny role plays!

In the afternoon session, students listened to a guest speaker from the Jesuit Refugee Service, Elizabeth, who gave the students an insight into the life of a refugee. The students benefited greatly from this talk as it gave them a sense of appreciation of their lives and potential.

Mr. Jared Hornby
Pastoral Leader of Learning - Year 7

Key Learning

SCIENCE

Year 11 Earth and Environmental Science

On Friday, 9th March, a group of fifteen Year 11 Earth and Environmental Science students accompanied by Ms Szaycz and Ms botto, carried out a field study in the area of Carlingford and Dundas Valley. The excursion encompassed the topic and skills that we have been studying in the first weeks of term, focussing on the geological history of the Sydney Basin. At the start of the excursion, we walked from St Patrick's Marist to Telopea shops where we caught the bus to the top of Carlingford. From here, we worked our way through the Pond's Walk, down to Sir Mitchell Thomas reserve in Dundas Valley. Throughout the day, we stopped at six different locations, where each pair of students had the chance to take soil samples, identify the soil type, test the pH of the samples and test the water from various creeks and ponds. Each pair carried a kit throughout the day that contained all of the necessary equipment needed to carry out hands-on soil and water testing. The kit included a pH testing kit, sample jars and charts. We also collected extra samples that we took back to the laboratory for further testing. Our last stop on the excursion, which is the subject of our depth study, was at Sir Thomas Mitchell reserve. This area was the location of the Dundas Quarry, where a volcanic intrusion, 40 metres deep was present over 235 million years ago. We were able to see the remains of the site, and collect samples of 'blue metal', a type of igneous rock.

This excursion supplied all of the students who attended with a deeper understanding of the hands-on components of Earth and Environmental Science. Being given the opportunity to carry out the sample testing was a great experience that allowed us to see how our local area was formed. Personally, I found the excursion especially interesting to see how the skills we discuss during class are put to use in the real world. This excursion was an experience that we will all be able to carry through into Year 12 and in our further studies.

Lauren King
11 Xavier

YEAR 9 ENGLISH

Sci-Fi Exhibition

On Thursday 22nd March, Year 9 English students held their Science Fiction Exhibition in the La Valla Centre. In groups, students prepared an interactive display to feature in this exhibition to explore the importance and role of the Science Fiction genre in understanding ethical problems and dilemmas. Each groups' display showcased their understanding of the evolution of the Science Fiction genre and its role in helping humanity understand the potential problems of advancements in technology.

Students worked hard to prepare their displays and developed creative ways of showcasing their understanding, including virtual reality experiences, interactive games and annotations of well-known films and stories. We loved seeing so many parents, family and friends of the community at the exhibition! Your support was greatly appreciated.

Congratulations to all of Year 9 for your efforts with this project! Thank you also the Year 9 English teachers who facilitated this exhibition and made this wonderful learning experience possible.

Ms E. Gray
Assistant Leader of Learning - English

PDSSSC TOUCH FOOTBALL

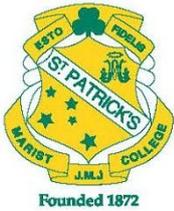

On Wednesday, 28th March students competed in the PDSSSC Touch football Gala Day at Werrington. The Open girls performed extremely well on the day. Their attitude and team cohesion was professional. This team cohesion allowed them to win their competition pool and make the Semi Finals. The girls were very polite and respectful to coaches and referees throughout the entire day, as well as all players demonstrating sportsmanship on and off the field. Congratulations to Josie Bee, Rebecca Donaghy and Ellie Han who were selected to play at the NSWCCC Touch Championships.

The Junior girls also performed exceptionally well in a very high standard competition, in which they played 6 pool games. Unfortunately, they started the day off slowly having 2 draws with teams they should have beaten, and their only loses of the day coming against the 2 finalists; which did not allow them to make it past the pool stages. The

girls played with great spirit and enthusiasm and represented themselves and the school highly and should be commended on their efforts. Special congratulations goes to Thea Prasetya for being selected to play at the NSWCCC Touch Championships.

Mrs M. Donaghy and Mr R. James
